

Apple Watch Info

Apple Watch User Guide

Review the Apple Watch User Guide before using Apple Watch. Go to help.apple.com/watch, download the ePub version from the iBooks Store (where available) or, after pairing, open the Apple Watch app on iPhone and tap My Watch, then go to General > About > View the Apple Watch User Guide. Retain documentation for future reference.

Safety and Handling

See "Safety and Handling" in the Apple Watch User Guide. Apple Watch, some of the bands, and the Apple Watch Magnetic Charging Cable contain magnets. Apple Watch, the heart rate sensor, and the included Apple Watch apps are not medical devices and are intended for fitness purposes only.

Exposure to Radio Frequency Energy

For radio frequency exposure information for Apple Watch, open the Apple Watch app on iPhone and tap My Watch, then go to General > About > Legal > RF Exposure. Or go to www.apple.com/legal/rfexposure.

Battery

The lithium-ion battery in Apple Watch should be serviced by Apple or an authorized service provider. You may receive a replacement Apple Watch when ordering battery service. Batteries must be recycled or disposed of separately from household waste. For information about battery service and recycling, go to www.apple.com/batteries/service-and-recycling.

from household waste. For information about battery service and recycling, go to www.apple.com/batteries/service-and-recycling.

Avoiding Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at www.apple.com/sound and in "Important safety information" in the Apple Watch User Guide.

Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store location or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at www.apple.com/legal/warranty and www.apple.com/support, if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your Apple Watch at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

For Australian Consumers:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Apple Pty Ltd, PO Box A2629, Sydney South, NSW 1235. Tel: 133-622.

shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices. by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

Industry Canada ICES-003 Compliance Label

CAN ICES-3 (B)/NMB-3(B)

EU Compliance Statement

Apple Inc.

hereby declares that this wireless device is in compliance with the

essential requirements and other relevant provisions of the R&TTE Directive.

Regulatory

Regulatory information, certification, and compliance marks specific to Apple Watch are available on Apple Watch. Go to Settings > General > Regulatory. Additional regulatory information is in "Safety and Handling" in the Apple Watch User Guide.

IC and FCC Compliance Statement for Apple Watch and Apple Watch Magnetic Charging Cable

This device complies with Industry Canada license-exempt RSS standards. This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

European Union—Disposal Information

Important:
This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and components. The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated
